

MONDO BY DEFUNC

CREATED FOR AND BY THE CULTURE

Meet Armand 'Mondo' Duplantis, the record-breaking pole vault LEGEND. Known for defying gravity and shattering barriers, 'Mondo' has etched his name in history with awe-inspiring jumps.

But his passion doesn't stop at athletics. With a deep love for music 'Mondo' brings his personal interest in sound to this exclusive collaboration, combining his athletic greatness with the world of audio excellence.

Discover the *MONDO by Defunc Sport Edition* and elevate your music experience to new heights.

MONDO BY DEFUNC

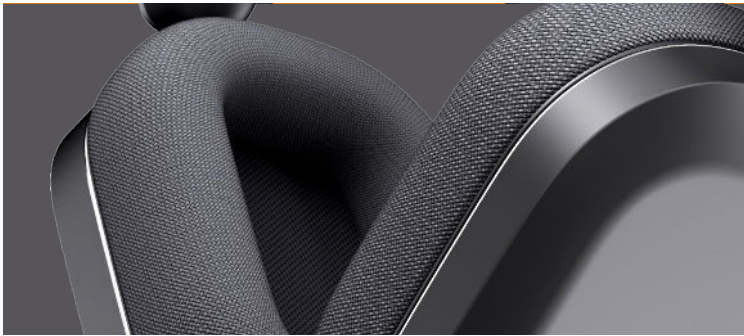

RICHER SOUND WITH DUAL DRIVERS

So you can get cleaner highs and more pleasant low frequencies while listening to your favorite audio. The dual drivers focus on mid/bass and treble respectively, resulting in a clear and diversified audio experience.

DESIGNED BY A CHAMPION

Enjoy sound like a record-breaking athlete with headphones crafted by Armand Duplantis himself. Experience the thrill of victory as you sport these headphones, featuring his signature logo.

SWEAT RESISTANT - READY FOR ACTION

Crush your limits without holding back. Designed for the sports-person in you, these headphones boast a sweat-resistant fabric and memory foam that stay put during the most intense workouts. Armand Duplantis's touch ensures you're geared up for victory on and off the field.

AUDIO EXCELLENCE IN MOTION

Propel your sound to greater heights with APTX HD, delivering a symphony of high-quality audio that mirrors Armand Duplantis's soaring achievements. These headphones are your sonic companions as you chase your own records, bringing every note to life with unparalleled clarity.
